### **Path to Go Live IC2B - ACDC**

Hello IC2B Team I wanted to take a moment to recognise and confer this small token of appreciation, to value your inputs and efforts over the past few months for executing the vision of IC2B and bringing it closer to reality, with the first release happening soon. This indeed has been a large program and I know these last months have not been easy on any of you. While we still have a lot to accomplish, I want to acknowledge your consistent and immaculate support to this program across the program's lifecycle so far. And I know with a team like yours, we will continue moving with the same momentum and energy on making a meaningful contribution to our market. Sincere Thanks to Every ONE of you!! Shagun :)
